

Write how many things you can count in the big picture.

 tool box
  saws
  squirrels
  tins
  logs

COUNTING

1
2
3
4
5
6
7
8

I'm using 4 tins of paint!

I have 2 saws!

 flowers
  bricks
  nails

Notes for parents: Find an empty box that your child can pretend is their tool box and put some of their toys inside. Take turns to guess how many toys are in the box, and then count them out to see how close your/their guess was.
