Four sets of horizontal handwriting lines are provided for practice. Each set consists of a solid top line, a dashed middle line, and a solid bottom line.

The image shows a page with a vertical dotted line on the right side, extending from the top to the bottom. In the lower half of the page, there are six horizontal dashed lines, each spanning from the left edge to the vertical dotted line. These lines are evenly spaced and create a grid-like structure, typical of a ledger or a table. The rest of the page is blank white space.
