# BABUSHKA KEYRING

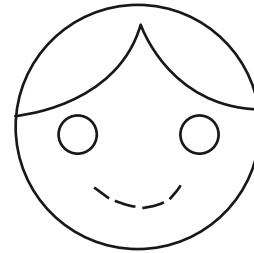

Charlie Moorby

Here's how to make your Babushka keyring. But why stop at one? Make a few and spread the love!

- 01 Cut out all the shapes and stitch the eyes, hair and mouth onto the face. Pop the headscarf on and stitch.
- 02 Stitch the top of the front piece of polka dot fabric to the bottom of the red felt. Stitch the cherry and leaves onto the polka dot front, ensuring it's central.
- 04 Now stitch together the back pieces of red felt and polka dot fabric in the same way you did the front.
- 05 Put the panels right sides together and pin the ribbon loop in place at the top. Stitch round the edge, leaving a 5mm allowance and a gap for stuffing.
- 06 Turn the doll out and add the stuffing.
- 07 Slip-stitch the gap closed and place the keyring onto the loop. Add a second decoration by placing a couple of large felt leaves onto the leftover ribbon and place it around the keyring. Stitch in place.
