Perfect for all occasions, anyone would be happy to receive these pretty pink roses in a cute watering can. The beauty of this design is that it can be stitched in a few short evening sessions and will be handy to have on hand for those last-minute makes. Mount in a circular aperture card like we have, or frame in a small embroidery hoop to give as a sweet gift.

Design by Jenny Barton, originally appeared in issue 251 (February 2017) of *The World of Cross Stitching*. For more fun cards to make, check out *The World of Cross Stitching* issue 297 (September 2020), on sale 10 July 2020.
