and leave a small opening. Stuff, then sew the gap closed.

07 With the jumper pieces WS together, sew the top edge using blanket stitch and one strand of **light blue thread**. Put on the dog and sew the bottom edge.

08 Sew the sleeve pieces WS together using one strand of **matching thread** and blanket stitch, leaving the bottom open.

09 Sew the front and back legs together **in pairs** with WS facing, using one strand of matching thread and blanket stitch, and stuffing firmly before closing. Insert the front legs into the sleeves, using a needle and thread to help pull them in.

10 Attach **both front legs** to the body using one strand of matching thread, pushing the

needle across the body to the other leg. Repeat to attach the back legs to the back of the dog.

11 Embroider snowflakes onto the scarf using two strands of white thread and single stitches. **Wrap around** the dog's neck, secure with pink thread, then cut into the ends to create fringing.

12 Embroider the nose and mouth using three strands of

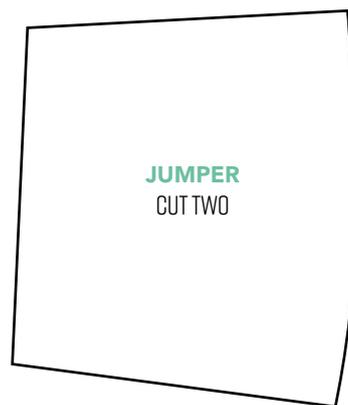

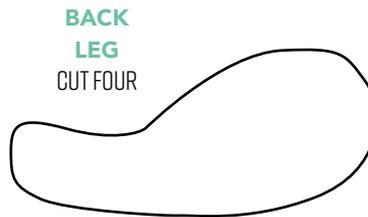

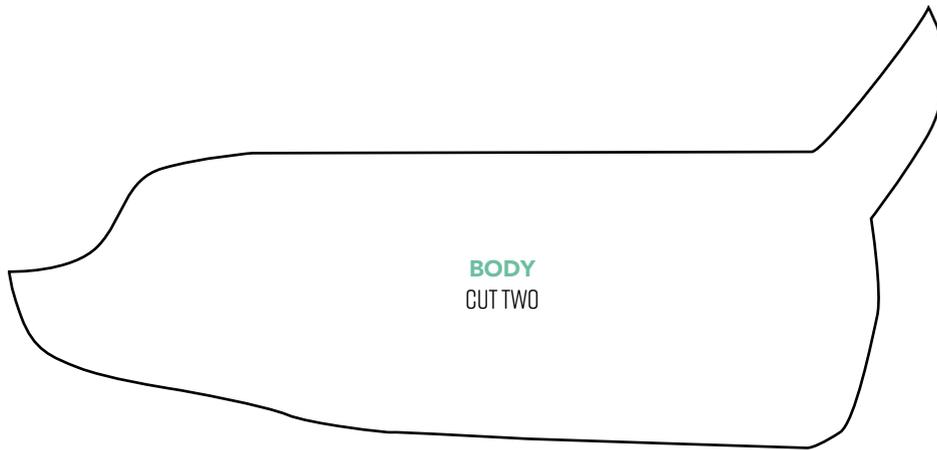

black thread, and the image on page 7 as a guide. Insert the needle at the tip of the nose and come **out at one side** of the mouth, then insert the needle at the other side of the mouth and come out at one side of the nose. Continue back and forth across the nose, keeping the stitches tight. Tie a knot and hide it under the nose to finish.
